536 North 1000 West

Salt Lake City, UT 84116

I am a very dedicated, honest and skilled employee. I have the ability to work in a fast paced environment. I am a team player and highly motivated. I like to see a job to completion.

SKILLS

- Electro-Mechanical Solder Assembly
- Cable and Harness Assembly
- Installed electrical and electronic parts and hardware in housings or assemblies
- Used soldering equipment and hand tools
- Can read blueprints schematics, diagrams and technical orders
- Worked with Engineers on prototypes and designs
- Certified pad and trace technician for PCB
- Test performance of assemblies, using oscilloscopes, electronic voltmeters and bridges

EXPERIENCE

BlackRock Microsystems

Electro- Mechanical Solder Technician - 01-Apr-2013 - 01-Apr-2017

L-3 Communications CWS

Solder Technician III - 01-Apr-2001 - 01-May-2013

3 -Com

Solder Technician - 01-Jun-1991 - 01-May-2001

Rockwell International

Solder Technician III - 01-Jun-1982 - 01-Jul-1991

ACCOMPLISHMENTS

- Held government clearance for top leading electronic manufacturing; (e.g. Rockwell, L3, and Litton).
- Previously certified for soldering, J-standard, IPC-610C, weapon-spec and ISO.
- Worked and soldered under a microscope, wiring, pad repair, cable and harness,

rework, and RMA.

- Worked along side Engineers on prototype, SMT soldering, ECO, mechanical prototypes, including testing my own work.
- Identified and implemented circuit boards manually, inserted dip to automated dip processor, saving \$10,000
- Able to problem solve and find solutions.

EDUCATION

West High

- Nursing
- Diploma
-
