

# RESUME

# AL AMEEN H

## OBJECTIVE

I am a person who is extremely receptive to new ideas and interested in learning. I plan and develop new products of high quality, think '**outside the square**', considering the whole process and perform the best by paying attention to detail with "**Can-do**" attitude and flexibility. Always drive for progress and maintain momentum since "**The only constant is change**". My **CORE IDEOLOGY** is to make the work area always an exciting place, work with passion, commitment and enthusiasm

## SKILLS

- Basic and Advanced computer knowledge including;
  - Google Docs
  - Access
